The Employee Free Choice Act will:
1) Strengthen penalties for companies that coerce or intimidate employees trying to form unions and bargain.
2) Establish mediation and binding arbitration when the employer and workers cannot agree on a first contract.
3) Enable employees to form unions when a majority signs authorization cards.

To: The New President & Congress
I urge you to enact the Employee Free Choice Act immediately.
This crucial legislation will protect workers' freedom to choose a union and bargain, without management intimidation. Allowing more workers to freely join unions and bargain with their employers will help rebuild the middle class by expanding health care, improving retirement security, and raising the standard of living for America's working families. My bargaining rights are worth working for and voting for!
