

Dear Friends,

Our first-ever interactive Impact Report is now online at impact.jwj.org.

Our 2015-2016 interactive report features:

- ▶ major victories and milestones over the last 18 months,
- ▶ inspiring stories of working people who are fueling our campaigns for change, and
- ▶ examples of how we are transforming lives and shifting the power balance in this country.

None of our impact would be possible without your continued investment in Jobs With Justice and our network.

THANK YOU for your ongoing support!

In solidarity,

A handwritten signature in black ink that reads "Santa Gupta". The signature is fluid and cursive, with the first name "Santa" and last name "Gupta" clearly legible.
